INFORMATION

NO BETTER TIME!

Sign up for your lawn & garden equipment inspection

Let one of our certified technicians inspect your mower today and be ready for next spring. We work on most makes and models and every mower service includes pressure wash and fuel stabilizer.

DID YOU KNOW...

On average, pre-failure repairs cost approximately 60% less than post failure repairs? Contact your local Papé Machinery Service Department to schedule your inspection today! Any additional approved labor billed at standard rate.

Qualified pricing for work performed on or before January 31, 2022
